

Chairperson Fireside Chat: “Impact of Artificial Intelligence on Education”

Dr Prakash Kannan is the Chief Economist and Director of the Economics and Investment Strategy Department at GIC. He is responsible for formulating the outlook for the global investment environment and asset allocation strategy for the firm. He serves as a member of GIC’s Investment Management Committee, Group Risk Committee and Currency Risk Management Group. His previous roles in the firm included Deputy Head of Total Portfolio Strategy as well as Head of Economics & Capital Markets.

Prakash joined GIC in 2012. Prior to joining GIC, he worked with the International Monetary Fund (IMF), the Central Bank of Malaysia (Bank Negara Malaysia), and GTE’s Pension Fund. He is currently the Vice President and Chair of the Investment Committee of the Economic Society of Singapore. He also serves as a member of the Advisory Council of OMFIF, the Investment Committee of the Singapore Indian Development Association, and NTU’s Academic Advisory Board. He was formerly on the Advisory Board for the Centre for Asset Management Research & Investments (CAMRI) at the National University of Singapore Business School. Prakash holds a Bachelor of Science in Economics from MIT and a doctorate in Economics from Stanford University. He is also a CFA charterholder.

Chairperson: Navigating the Global Uncertainty from Financial Institutions’ Perspectives

Ms Maureen DeRoosj is the CEO of The Executive Forum Singapore. The Forum provides senior regional leaders and non-executive directors the opportunity to actively engage with key thought-leaders and experts on strategic, geo-political and economic developments relevant to their businesses. A career corporate banker of 30 years, her most recent position was CEO Asia- Pacific of ABN AMRO Bank. She served on the boards of ABN AMRO Asia Fund Services, its Hong Kong Clearing

business and its Asia Security Services. Externally she served on the Corporate Advisory Council of the Hong Kong Securities and Investment Institute, the Singapore Banking Council, the European ASEAN Business Alliance Board, and the Investment Committee of the Singapore International Chamber of Commerce. Ms DeRoosj is a KKR appointee on the Board of BBP, which provides patented HVAC optimisation technologies to reduce energy consumption for chiller equipment and facilities of companies as diverse as datacenters, manufacturing plants, office buildings, hotels and shopping malls. She is also on the Advisory Board of Aboitiz Data Innovation which provides transformative AI consulting and data-driven solutions in the finance and power sectors. Ms DeRoosj is currently a Dean’s Fellow of Singapore Management University’s Lee Kong Chian School of Business where she served for nine years on the Advisory Board. She is an elected Council Member of the Singapore Economic Society and serves on the International Council (NIC) of the NUS Yong Loo Lin School of Medicine. A recognized speaker on topics at the cross section of Finance, Sustainability and Asia she occasionally speaks at Bloomberg, Financial Times and The Economist events and guest lectures at SMU, NUS and Insead. Ms. DeRoosj holds a master’s degree in Corporate Law (LLM) from the Rijksuniversiteit Leiden in the Netherlands and an MBA degree from the University of Chicago (Booth). She completed the Cambridge Prince of Wales Business and Sustainability Programme in 2006.
